Iranian Curriculum Studies Association (ICSA)

About Association

The Iranian Curriculum Studies Association was established in 1999 by a group of researchers and graduates in the field of education. This association is a national, non-governmental, and non-profit organization composed of curriculum specialists and graduates which tries to achieve the position of a scientific reference through cooperation and national and global interaction, using the latest scientific, research, and technological achievements to develop curriculum knowledge with a global perspective and its localization, improving the quality of policymaking and performance, and promoting the scientific and professional status by adhering to professional ethics. Objectives of the Iranian Curriculum Studies Association are as follows: Production and promotion of curriculum knowledge according to the needs; Improving the quality of the environment and learning performance in Iran's educational system; Creating a culture of production and application of ICT-based curricula; Development of a professional monitoring system and evaluation of policies, programs, and activities. Scientific, social, and professional development of curriculum specialists; Development of interaction and organizational cooperation at the national and international level. Publication of scientific journals including 'Journal of Curriculum Studies' and 'Journal of Higher Education Curriculum Studies' by the Association and publication of scientific journals including 'Journal of Curriculum Research', and 'Research in Curriculum Planning Quarterly' and 'Theory and Practice in Curriculum Journal' in collaboration with other universities are among the most important activities of the association.

The Iranian Curriculum Studies Association conducts its scientific activities in the form of thirteen study groups and seven commissions, and holding conferences, scientific meetings, workshops, and training courses is another activity of this association. The current members of the board of directors of the association are: Dr. Mohammad Javadipour (Chairman of the Board), Dr. Mostafa Ghaderi (Vice-Chairman), Dr. Alireza Sadeghi (Member of the Board), Dr. Saeed Safaei Movahed (Member of the Board), Dr. Zahra Niknam (Treasurer), Mahmoud Amani Tehrani (substitute member), Dr. Rahmatollah Marzooqi (substitute member), Dr. Parvin Samadi (inspector) and Dr. Hassan Mazaheri (substitute inspector)
